

Robbie Inge

February 23, 1982 - August 2, 2022

Robert Patrick “Robbie” Inge, a lifetime resident of Eureka, passed away Tuesday, August 2, 2022, at his home in Eureka, at the age of 40.

He was born February 23, 1982, to Patricia Inge Soule and Robert C. Martin, III. He attended Eureka Public Schools, from 1st grade through his senior year, graduating as a proud Tornado, Class of 2001. During his Junior and Senior years, Robbie was able to participate in an “At School to Work Program” where he was employed at Bill’s Dollar Store and Alco. It was this program that taught him the skills to later purchase and operate his own successful business. Robbie loved helping people, and visiting, especially with the elderly. After school hours, he worked at Lo-Mar, continuing to serve the public. As a senior in high school, he purchased his first home with money saved from these employments.

Upon graduation from high school at 19 years of age, Robbie followed his dream and purchased Lo-Mar Drive-In, a business that thrived for 10 years under his management. This was his pride and joy. Sadly, this came to an end in 2011, due to disabilities. Robbie had a love and passion for gardening in his spare time. He was able to make anything grow under his natural green thumb. He was also a big Jayhawk fan. He was a beautiful soul with a huge heart.

Robbie is survived by his mother, Patricia Inge Soule and husband, Richard of Eureka; aunt, Gigi Bebus and husband, Jon of Nixa, Missouri; uncle, Bill Inge of Esko, Minnesota; and many others on his father’s side. He was preceded in death by his dear grandmother, Shirley Beeman; and grandfather, William Inge, and others on his father’s side. It is a comfort to know he and Shirley are rejoicing together once again.

Cremation has been effected. Private family inurnment will take place at Greenwood Cemetery in Eureka at a later date.

In lieu of flowers, the family requests memorials be made to the Kansas Humane Society,

in honor of his love of animals; or to the Eureka Garden Club for his passion for gardening and his mother's longtime membership. Contributions may be sent in care of Koup Family Funeral Home, PO Box 595, Eureka KS 67045, which is overseeing arrangements. Condolences may be left for the family online at koupfunerals.com.

“ Oh my sweet Ro-Bear!
Robbie, aka my Charlie Brown, was my first boss who taught me such a strong work ethic. But he became so much more...a dear friend. We spent countless nights together having so much fun! Sadly life and time created a distance and I lost touch with him. I will miss his vivacious personality. He was always having fun regardless of life's circumstances.
Cheers Robbie! Until we meet again. I love you.

“ Deepest sympathy to Robbie's family and friends. Robbie was a dedicated, hard worker, that had an endless smile and loved his Grandma Shirley and his Mother with every ounce of his being. After Robbie's health began to fail, it saddened me to see his vibrant life take a downward turn, but no matter where he was, he always waved. Life sometimes deals us unexpected blows, but Robbie continued on his own until his passing. I admired him for being able to do this, to the best of his ability. May you find peace in the arms of Jesus and your Grandma Shirley. Hugs, Love and Prayers to his Mother and Family he leaves behind.

“ We knew Robbie through his Mom Patricia. She talked so highly of him. She would tell us about his hamburger stand years ago. She was and is a very proud Mother. Our hearts are heavy for the family. Prayers for comfort.

“ I knew Robbie when he owned LoMar and we talked about finding him a dog. Of course, the dog had to be house broken & set size. Sending hugs to his Mom.

“ Robbie was my very first friend.

I remember spending many days in his backyard playing before moving to the country with my family.

I also remember the great snacks his mom gave us.

Despite moving, we saw each other in school- often getting in trouble in Mrs. Himes' crafts class. Robbie and I worked together at the Paddock, too.

I admit there were times I would do things to rile him up at work and/or school. It was always friendly. But it sometimes took a minute before he'd forgive me.

Years passed. We grew up. The last time I spoke to him was before he became ill. Robbie had purchased Lo-Mar by that time.

I stopped by Lo-Mar with my son- a toddler back then. And I'll never forget what Robbie said to me that day.

He thanked me for coming and bringing my son. At first, I didn't understand what he meant. Until I did. And it broke my heart.

I will always remember Robbie fondly. The days we spent on the swing set off of School Street. His buzzing energy. Strong work ethic. And telling him to not forget to go have fun.

Whatever journey Robbie is on now, I hope he finds peace 🧡
